## FROM THE VICAR'S DESK

I express my gratitude to God for the graces experienced over the last three years. As we celebrate these three years, I extend heartfelt thanks for the love and care shown by all of you. Your remembrance of my ministry and family in your prayers is deeply appreciated. May God grant us the ability to continue the work we have initiated. Special appreciation is due to the Parish Officials, Executive Committee Members, and Leaders of various Organizations.

Let us also remember in our prayers Rev. Josy Joseph and his family, who will assume charge of the Parish from the first of May 2024. May we pray that God assists them in their travel arrangements. As we prepare to take charge of Jaipur Mar Thoma Parish from the 1st of May, please keep us in your prayers.

There's a story about a preacher observing a marble cutter at work, expressing his wish to deal such sharp blows on stony hearts. The sculptor's response, "Maybe you could if like me you worked on your knees," underscores the importance of humility in our endeavors, particularly in prayer. Often overlooked but traditionally significant is the posture of kneeling in prayer. The common Hebrew word 'kana,' meaning "to bend the knee; hence, to humiliate or vanquish," reflects the posture's essence. There's a saying, "We are never so high when we are on our knees," highlighting the spiritual elevation attained through humility. Kneeling, a traditional posture for requesting favors from a king, became synonymous with prayers of repentance or supplication. When we kneel in prayer, we plead for mercy: "Lord, have mercy on me."

Scripturally, this practice finds support in over 27 references. For instance, Matthew 17:14 depicts a man kneeling before Jesus, imploring for mercy. Mark 1:40 and Mark 10:17 similarly illustrate instances of kneeling in supplication. Luke 22:41 portrays Jesus Himself kneeling in prayer. Historical accounts further emphasize the significance of kneeling. Eusebius, a fourth-century historian, describes James, the brother of Jesus, kneeling alone in the temple, praying for forgiveness for the people. Even George Washington, during his presidency, was recognized for his habit of kneeling in prayer.

Reflecting on our own knees, are they calloused from kneeling in prayer? Let us adopt this reverent posture in prayer, not only for ourselves but also for the spiritual edification of future generations.

## YOUTH CHAPLAIN'S CORNER

"I thank my God every time I remember you, constantly praying with joy in every one of my prayers for all of you, because of your sharing in the gospel from the first day until now." Philippians 1:3-5

Dearly beloved in Christ,

I praise the Lord for the last five years for the blessed opportunity I had to serve as the Youth Chaplain of this parish. I am grateful for the opportunities given to grow in fellowship with our youths and to minister to our growing generation of the Mar Thoma community in this region. These past five years have been very special for Justeena Kochamma and me. We made great relationships with people young and old and numerous memories that we will cherish throughout our lives. It is also sad in a way that throughout these years we have lost great people who passed away in five years and became very close to us, and to bid farewell to them was a painful experience for us. Although five years as your youth chaplain Achen has come to an end now, it reminds us that this ministry does not belong to us but rather it belongs to God. We pray that whatever we were able to do in the last five years, especially throughout the pandemic and recovering from it, we were able to do it diligently. We have seen our youths grow up so much. It is a great blessing to witness many of our youths think about getting into college, finishing college and heading towards the next step in life. We have seen many overcoming various life situations and witness the hand of God working unconditionally in them.

I look forward to seeing our youths in our time remaining in the campus visits as well as our meetings, Bible Studies and personal visits. Please pray for the Chaplain's ministry in New York. I am ever grateful to minister to you alongside the various vicars of our parishes from 2019 till now.

Our new assignment is God willing, to take charge of Redeemer Mar Thoma Church and Zion Mar Thoma Congregation. Along with that, we will also be in the youth ministry of St. Peter's Mar Thoma Church. Please do keep Kochamma and me as well as our ministry in your prayers. Our love and prayers are with your incoming Youth Chaplain Rev. Jason Varghese. May the grace of God continue to be with all of you. Our love and prayers always. Remember: God is Good, all the time, and all the time, God is Good!

Christ is Risen! Indeed, He is Risen!  
Much love always,

Rev. Jess M. George Achen and Justeena Kochamma

## God's Helpers

God could not be in every place  
With loving hands to help erase  
The teardrops from each baby's face,  
And so He thought of mother.  
He could not send us here alone  
And leave us to a fate unknown;  
Without providing for His own,  
The outstretched arms of mother.  
God could not watch us night and day  
And kneel beside our crib to pray,  
Or kiss our little aches away;  
And so He sent us mother.  
And when our childhood days began,  
He simply could not take command.  
That's why He placed our tiny hand  
Securely into mother's.  
The days of youth slipped quickly by,  
Life's sun rose higher in the sky.  
Full grown were we, yet ever nigh  
To love us still was mother.  
And when life's span of years shall end,  
I know that God will gladly send,  
To welcome home her child again,  
That ever-faithful mother.

-- George W. Wiseman

## Miracles for Father

Abraham was given a child when old,  
God kept his promise, by the bible we're told,  
Abraham obeyed, he offered his son,  
God spared his life, the test was done.

Joseph was given a child as his own,  
Told by the angel he'd be great when grown,  
A savior, a king, to give us true life,  
Joseph with thanks, took Mary as wife.

Be faithful to God, be always true,  
So God can work great miracles for you,  
Doing what's right let's God give his best,  
And there will be added, all the rest.

May God the Father bless your life,  
Help your family, children and wife,  
God give you courage, strength for your role,  
May your peace and joy be specially full.

Walk with God, stay on his road,  
Receive his blessings to carry your load,  
God's plan for you, is very great,  
Being a father, has the most weight.

It's what God is, to all his children,  
And what he shares with special men,  
Who on this day, deserve our praying,  
Happy Father's Day! We all are saying.

--Paul Berchtold
